Single: 190 x 87 x 9cm  
Double: 200 x 137 x 9cm

### Alternating Pressure Mattress GGSU

21 tubes alternating in sequence to give high pressure relieving qualities, no vibration and virtually silent.

Size:  
183 x 81cm or 72 x 32 inches

## Mattress Selection at a Glance

The economy of good quality static anti - pressure mattresses are finding favour in the community & hospitals where expensive active systems are of doubtful extra benefit.

These mattresses, overlays & cushions come complete with vapour permeable covers. Wipe clean or removable for washing. Inners & covers available separately.
