

Summit Seat Raiser

Booster Cushion

Product Code: FB44

The ThorpeMill Summit raiser cushion is an easy and effective alternative to seat raisers. The cushion is made from sturdy foam and placed underneath the existing seat cushion of an armchair. It raises the height of an existing chair by 100mm (4 inches) allowing easier sitting and rising from the chair.

- Designed and hand crafted in the UK.
- Effective alternative to chair raisers.
- To be used under existing seat cushions.
- Simple and comfortable to use.
- Waterproof cover options are available upon request.

Product	Dimensions (L x W x H)
